

"INFLUENCE OF RELIGION ON HIV PREVENTION FOR LATINOS"

By JOSE LASTRA, VICEPRESIDENT OF ESPERANZA, PHILADELPHIA.

WE WILL DISCUSS THE TOPICS BELOW:

1. Findings from a study on how churches can respond to the HIV/AIDS epidemic in the Latino community (Answering the call).
2. HIV Prevention from a faith-friendly perspective.
3. Effective collaboration = effective results.
4. Resources, suggestions, and ideas from all and for all.
5. Questions and Answers.

CALL-IN INFORMATION: **1 (888) 237-9331** ACCESS CODE: **833809**

WHEN PROMPTED, STATE YOUR NAME AND ORGANIZATION.
